

# Serving the community

Dear [Salutation],

As one of our most valued supporters, I want to personally thank you for your continued generosity and commitment to our mission. Your support has been instrumental in driving our success, and I am thrilled to share the progress we've made together over the past year:

**Growth in Participant Numbers.** We have welcomed more individuals into our programs and activities, nearly doubling our number of participants to an average of 750 per month.

**Expanded Intergenerational Engagement.** We have seen increased engagement from diverse age groups in our community. For instance, our evening yoga classes attract working professionals, while Art with Carla is cherished by both children and adults.

**Impactful Community Support.** During the year ending September 30, 2024, and in partnership with other organizations, we provided:

- **16,197 nutritious meals**
- **162 health and wellness events** serving 1,165 clients
- **911 social, creative, and educational events** serving 7,568 clients
- **Medical insurance guidance for 887 clients**
- **Companion or home maintenance and repair services for 60 clients**

Additionally, your support was crucial to help us purchase the remaining 49% of our building. Full ownership of the Orcas Senior Center building will ensure a permanent home for our growing community and the sustainability of our programs.

Thank you for your dedication to our mission and for being a cornerstone of our community.

With heartfelt gratitude,

Lynnette Wood  
Board President
